

# JOIN THE MOVEMENT GIVE TO GRADY

SATURDAY, MAY 1, 2021  
BOUCKAERT FARM IN CHATTAHOOCHEE HILLS

## // Grady has never been more important to our community.

Over the past year, we have witnessed Grady's critical role firsthand—frontline heroes working tirelessly; taking the lead in Atlanta's COVID-19 response; ensuring that every person in our community had a place to turn for care.

## // The crisis is not over. Will you join our movement?

Grady cannot continue to stand strong without fundraising support. Participating in VeloCity on May 1, 2021, is a great way you can help ensure Grady is ready for whatever the future might hold. You can ride, run, or walk as an individual or with a team, in person or virtually. The important thing is that we all join the movement to:

- **Support Grady's Frontline Heroes** – Grady's doctors, nurses, and first-responders are providing care for those affected by the pandemic while still performing miracles in our trauma, stroke, and burn centers and ensuring that everyone in our community has access to preventative care.
- **Ensure Health Care Equity** – This past year has shone a bright light on inequities in our community. Since Grady opened, our mission has been to create a welcoming, safe space for everyone to receive the care they need, regardless of their wealth or their zip code.
- **Promote Wellness** – The best defense is a great offense. Our wellness impacts our performance at work, our ability to take care of ourselves and our family, and our overall health.

## Get moving – ride, run, or walk for Grady.

- **Our new location**—the 8,000-acre Bouckaert Farm—will allow us to implement any necessary COVID-19 precautions so you may ride or run safely. You can also choose to participate virtually if that is what you prefer.
- **Joining as a cyclist?** Choose a 10-, 25-, 50-, 62-, or 100-mile distance along metro Atlanta's best cycling routes. All courses offer fully-supplied rest stops and on-route support.
- **Joining as a runner or walker?** Check out the Grady Superhero 5K or our 9-mile trail run. Both distances offer amazing views and will include water stops.
- **Joining us virtually?** You can choose from any of our routes and log your miles on our event app.
- **All pay a registration fee** and commit to raising funds for Grady.
