- Cyclists of all abilities can take part in this annual fundraising ride and celebration on Saturday, May 4, 2019.
- Enjoy the ride ... this isn't a race. Whether you're on a team or riding as an individual, you can set your own pace.
- Pick the right ride for you! Longer distances range from 25 to 100 miles. If a shorter distance is more your speed, participate in our City Ride on a closed course through downtown. If you are more of an indoor cyclist, check out one of several classes taking place at the finish line!
- Each rider pays a registration fee and is also encouraged to fundraise for Grady Hospital. Raise more to get more through our great incentive program!
- Thank you to our generous sponsors who ensure 100% of participant fundraising goes directly to Grady.
- Be on the lookout in early 2019 for more information about routes, training opportunities and other exciting details about Velocity!
