YOU CAN HELP MAKE VELOCITY A SMOOTH RIDE.

PLEASE SUPPORT GRADY BY VOLUNTEERING FOR VELOCITY.

VeloCity is an exciting new cycling event and celebration taking place on Saturday, May 4, 2019, in downtown Atlanta at The Home Depot Backyard. Benefiting Grady Hospital, this ride will bring cyclists of all abilities and skill levels together to support one of the city's most important institutions.

By volunteering for this event, you'll help Grady continue to provide the advanced, compassionate healthcare that our underserved deserve and our growing population demands. With over 600 volunteer opportunities available between May 1 and May 5, VeloCity offers endless ways to provide help and support.

Have a group interested in volunteering together? Email us at volunteer@velocityatlanta.com.

AVAILABLE OPPORTUNITIES:

- **Pre-event:** Help us organize supplies, load and unload trucks, hang signage, set up tables and chairs, and much more.
- **Packet Pickup:** Help our registration team distribute goody bags, jerseys, t-shirts and other items to participants.
- **Venue:** Help with everything from cheering on participants, to serving drinks and snacks, to working with our bike valet or selling merchandise.
- **Parking:** Help people find parking so they can start on time!
- **Post-event:** Once the crowds have departed, help us pack up all of the equipment, load and unload trucks, clean equipment, and take inventory.
- **Rest Stops:** Help run one of our 10 rest stops along VeloCity routes. These rest stops offer riders encouragement and a place to rest and refuel.
- **SAG Driver:** Help us provide support to our participants on the routes. SAG drivers will spend the day driving the routes, offering refreshments and providing assistance when needed. Motor Vehicle Report checks are required for this position. Vehicles are provided.
